ARRL

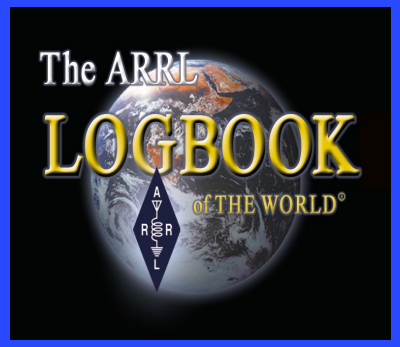
ARRL is the national association for Amateur Radio in the US. https://www.arrl.org/about-arrl

ARRL Magazines and Info https://www.arrl.org/news-features

ARRL Store https://home.arrl.org/action/Shop/Store

ARRL Learning Center https://learn.arrl.org/

ARRL LOTW



ARRL Logbook of The World (LOTW)

https://lotw.arrl.org/lotwuser/default

It takes a little bit to set up but follow the directions and it goes smoothly.

The leader in qso confirmations

They have many different awards.

I’m chasing DXCC.

QRZ

QRZ is a callsign database and logbook.
www.qrz.com

QRZ Forums -
https://forums.qrz.com/index.php

(Enter at your own risk. Some are helpful)

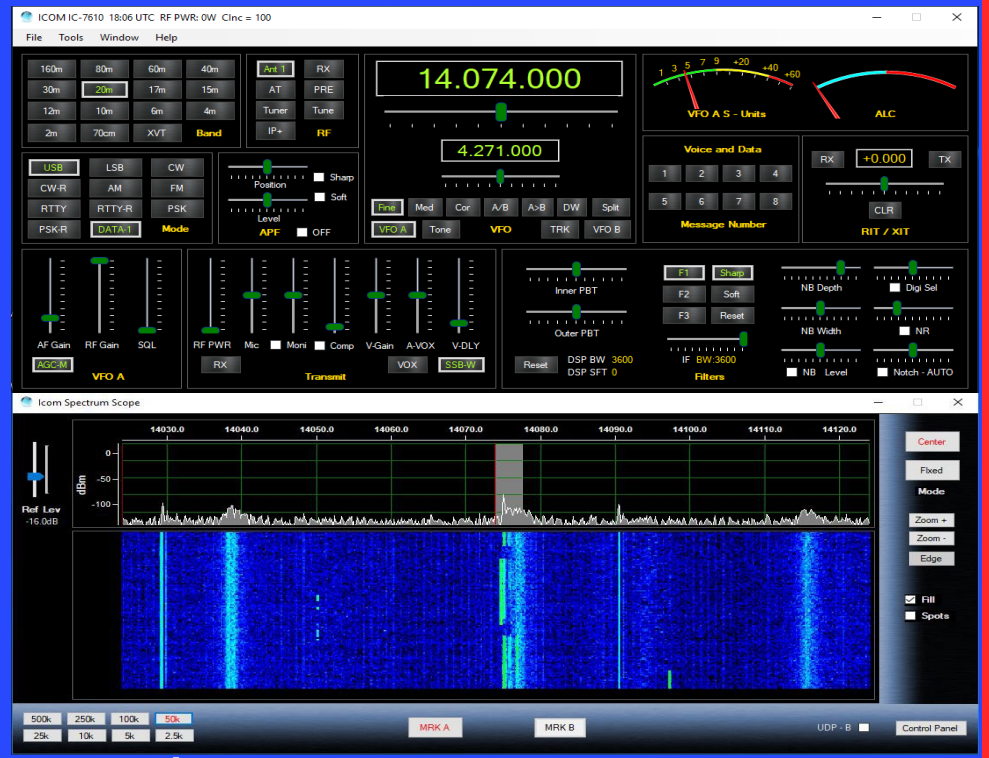
QRZ has awards and qsos can be confirmed from LOTW.

Ham Radio Deluxe

- Rig Control
- Logbook
- Digital Master
- Rotator Control
- Satellite Tracking

https://www.hamradiodeluxe.com/

Win4Icom



Rig Control

Integrates with multiple programs (i.e. wsjtx, hrd, n1mm+)

https://icom.va2fsq.com/

N3FJP

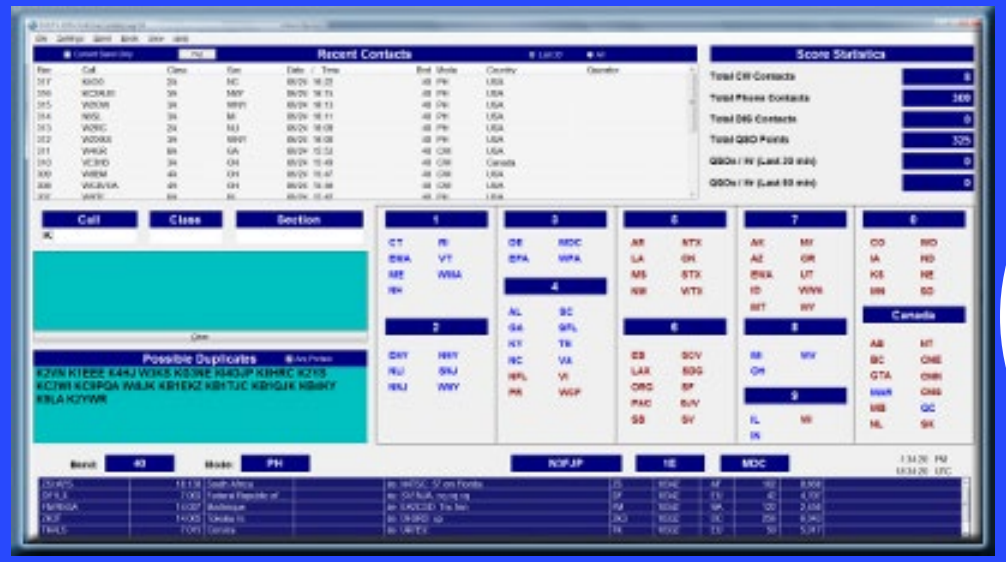
Amateur Contact Log – popular logging software

Separate logs for each contest

Import and Export adif files

We use this for Field Day

https://www.n3fjp.com/



N1MM+

Powerful contesting software

Logbook

Rig Control

Import and Export adif files

Telnet Cluster

Multiplier Tracking

https://n1mmwp.hamdocs.com/
